Dear Sir:

Upon reviewing the file it was noted that there were errors on the form PTO-1449 and Information Disclosure Statement filed January 11, 2005. The two references should have read JP 10-334809 and JP 11-54048. This information is listed correctly on the attached corrected form PTO-1449 and the Search Report and English abstracts are attached for the examiners information. It is respectfully requested that the documents be expressly considered during the prosecution of this application, and that the documents be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Respectfully submitted,
